

Welcome to Walkabout Creek Discovery Centre

This bushland oasis in Brisbane's backyard is perfect for families, friends and visitors to Brisbane. There's something for everyone at Walkabout Creek Discovery Centre!

At the Wildlife Centre, discover some of Queensland national parks' weird and wonderful creatures, like our playful platypuses, wandering wombat and curious crocodiles. Don't miss the daily platypus feeding sessions and wildlife talks by our expert Park Rangers. The weekend Wildlife Discovery Show is a must see!

Our Nature Play areas are fun for adventurous kids of all ages. Take time for a picturesque hike around Enoggera Reservoir or enjoy a refreshing swim or kayak in its cool waters. If mountain biking is more your thing, develop your skills on our specialised course or pedal off on a trail into D'Aguilar National Park.

“Walkabout Creek Discovery Centre is your gateway to Queensland's national parks. Our mission is to inspire you to discover, explore and connect with Queensland's most beautiful places.
Jason—Ranger in Charge

Information Centre

Start your visit at the Information Centre where informative displays and expert Park Rangers will help you discover what's special about Queensland's national parks. Browse through our gift shop and stop by the virtual lookout. Be sure to purchase your tickets for our Wildlife Discovery Show and entry to the Wildlife Centre.

Wildlife Centre

Want an experience of the wild kind? With reptiles, amphibians, birds, mammals and even fish, our Wildlife Centre has what you're looking for! Don't miss our Gondwana-inspired rock pool where the world's most intriguing mammal—the platypus—steals the show diving for crayfish and worms. Our animals are in exhibits that replicate their natural habitat, so it's almost as good as seeing them in the wild. Explore the Wildlife Centre on your own or join our dedicated Park Rangers at the daily animal chat and feed shows or weekend Wildlife Discovery Show.

Wildlife Discovery Show

**11.00am and 1.30pm every weekend
(additional shows during school holidays)**

Get up close with one of our estuarine crocodiles and some of their scaly and furry friends from the Wildlife Centre. Learn how our Park Rangers care for our animals and what you can do to help. Same day entry to the Wildlife Centre is included in the price of the Wildlife Discovery Show. To secure your spot during school holidays, book in advance at qld.gov.au/WalkaboutCreek

Plat chat and feed

10.00am and 2:30pm daily

It has webbed feet like a frog, a bill like a duck, venom like a snake and lays eggs like a bird—the platypus is one of nature's most incredible animals. Uncover the secrets of these unusual creatures as our Park Rangers give our resident platypuses their daily meals.

Get adventurous!

After your visit to the Wildlife Centre make sure you get out and explore the natural surroundings of Brisbane's backyard—by foot, on a bike or in the water!

Take an easy walk along a stroller-friendly track, a 2hr hike around the Enoggera Reservoir foreshore or explore the trails through D'Aguilar National Park. Please leave your dog at home. Dogs can spoil other visitors' experiences and can disturb and chase our native animals.

Prefer pedal power? Shred one of four technically-challenging trails on the Mountain Bike Skills Course. Those after a more natural experience can enjoy a leisurely ride through the bush on a shared trail.

Get wet and wild! Take a dip in the cool waters of Enoggera Reservoir, or paddle peacefully around the water's edge. The swimming area is not patrolled, so please ensure your children are actively supervised.

Walkabout Creek Discovery Centre has lots of areas for kids to explore. Roll down our rolling hill, test your agility on the balance beams or even dig for fossils at the sandy dinosaur dig! Make Nature Play a part of your visit and connect with nature through unstructured play and outdoor learning. Find out more about Nature Play at natureplayqld.org.au

How to get there

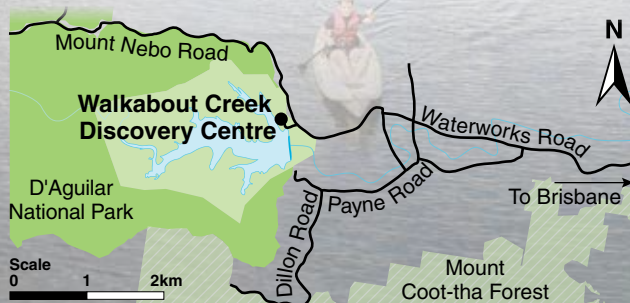

Located at 60 Mount Nebo Road, Enoggera Reservoir, Walkabout Creek Discovery Centre is 12km from Brisbane's city centre. You can drive yourself or take a bus.

By car

Follow Waterworks Road from the city. Waterworks Road becomes Mount Nebo Road not far from the entrance to the Walkabout Creek Discovery Centre. There is limited parking at the Centre, especially on weekends, so take the bus if you can.

By bus

From the city, take the 385 bus to The Gap park 'n' ride. From here you can walk or ride about 500m along purpose built tracks to the Information Centre.
